## ABOUT ME

I am a full-stack developer with expertise in the MERN stack and a strong foundation in HTML, CSS, JavaScript, and React. With a background in master in computer application and over six years of experience as a vocational trainer in school education, I combine analytical thinking with creative problem-solving in web development. My strengths include quick learning, attention to detail, and a commitment to delivering high-quality solutions. I aim to contribute to a forward-thinking organization while advancing my skills.

## PROJECT

- ❖ **Task Management System**
- ❖ **The E-Commerce Website (Admin Dashboard)**
- ❖ **Login System**

Built with the MERN stack.

- ❖ **The E-Commerce Website**

- Built using React.js.
- Fetches data from the backend using JSON .
